October is National Crime Prevention month across the nation. The Celebrate Safe Communities initiative is a new project designed to kick off Crime Prevention month by promoting successful local law enforcement and community partnerships. The National CSC partners include National Crime Prevention Council (NCPC) [http://www.ncpc.org](http://www.ncpc.org) National Sheriffs’ Association (NSA) [http://www.sheriffs.org](http://www.sheriffs.org) and the Bureau of Justice Assistance (BJA) [http://www.ojp.usdoj.gov/BJA](http://www.ojp.usdoj.gov/BJA).

On behalf of CSU Channel Islands P.D and National Crime Prevention Month, here are a few simple things you can do to help keep you and your family safe.

**Neighborhood Safety Tips For Parents**

Unfortunately no neighborhood is completely immune to crime. However, there are steps you can take to help keep your family and your neighborhood safe.

**Know where your children are.** Have your children tell you or ask permission before leaving the house and give them a time to check in or be home. When possible, have them leave a phone number of where they will be.

**Help children learn important phone numbers.** Have your children practice reciting their home phone number and address, and your work and cell phone numbers. If they have trouble memorizing these, write them down on a card and have them carry it at all times. Tell your children where you will be and the best way to reach you.

**Set limits on where your children can go in your neighborhood.** Do you want them crossing busy roads? Playing in alleys or abandoned buildings? Are there certain areas in your neighborhood that you don’t want your children to go to?

**Get to know your children's friends.** Meet their parents before letting your children to go to their home and keep a list of their phone numbers. If you can't meet their parents, call and talk to them. Ask what your children might do at their house and if they will be supervised.

**Choose a safe house in your neighborhood.** Pick a neighbor’s house where your children can go if they need help. Point out other places they can go for help, like stores, library, and police station.

**Teach children to settle arguments with words, not fists.** Role-play talking out problems, walking away from fist fights, and what to do when confronted with bullies. Remind them that taunting and teasing can hurt friends and make enemies.

**Work together with your neighbors.** Watch out for suspicious and unusual behavior in your neighborhood. Get to know your neighbors and their children so you can look out for one another.
